

NikKnock

Strong and slender, fun and smiles
A striking beauty all the while
Fit and healthy out and in
Angel faced and a cheeky grin
Gentle mother calm and sure
A tenderness that does endure
Works so hard to keep on track
Looks always forward and never back
Known for being such a friend
Right behind you to the end
Attributes that all desire
A personality that does not retire
A total dream, she don't half 'Rock'
That's our girl, that's our NikKnock!
