

Dead Men's Names (October 16)

Paul and Tom were one and two,
From oh so... so, long ago,
From the sadness at a woman's hands,
They chose their time to go

Cyril's time was years before,
He was a rebel spirit ...free,
Not bound by system, rules or type,
Sadly went unpleasantly

The recent years also have more names,
Cut down before their time,
Bill... Colin... Andy... Steve too,
Not old, still in their prime

So year on year the list goes on,
Each name brings memories,
Of when those names were full of life,
Whose name is next? We'll see...
