

Fish nor Fowl (December 2002)

Preface:

So what am I?
And even where?
Or maybe it's what I am not?
Or what I can never be again

Random:

Not a 'Dad' 'cos I'm not around
Not a 'Lad' 'cos I've got the kids
Not married, 'cos I'm so alone
Not on my own, 'cos I've got the kids
Not a 'Geezer' 'cos of responsibilities

Observation:

...so free, and yet so tied...

Hopes:

To find myself and find my place
I guess that's what I want
What am I for? What's next for me?
And was I really such a cxxx?

Spin:

Questions, answers thoughts and stuff
My head goes around and round
Am I the true misguided one?
Or are my thoughts and feelings sound?

...I wonder....
