

## **NikNok**

Strong and slender, fun and smiles  
A striking beauty all the while  
Fit and healthy out and in  
Angel faced and a cheeky grin  
Gentle mother calm and sure  
A tenderness that does endure  
Works so hard to keep on track  
Looks always forward and never back  
Known for being such a friend  
Right behind you to the end  
Attributes that all desire  
A personality that does not retire  
A total dream, she don't half 'Rock'  
That's our girl, that's our NikNok!
